

“The Hawai’i Experience - Beyond the Aloha”

WELCOMES

PETER APO to KAUA’I

Director of the Native Hawaiian Hospitality Association

Peter Apo, presents 21st century Hawaiian cultural concepts in addressing
The Challenges facing Hawaii's Economic Growth.

This dynamic speaker and topic will bring you a deeper understanding of community
for the good of all! His provocative and positive message is of hope
and celebration of the uniqueness of the Hawaii experience.

**You won’t want to miss this thought-provoking and inspiring evening,
including Questions and Answers!!**

Peter Apo brings you an in-depth formula for creating Host, Guest and Place conversation and dialog. He shares the concept of “ho’okipa” (hospitality), a specific plan for incorporating Hawaiian values into the operating culture of Hawaii’s public and private institutions and for moving Hawaiian culture to the core of Hawaii’s hospitality industry. It is also about creating and maintaining a growth curve that contributes to a better life for everyone.
